African Pastor: Moses Muguro
E-Mail:

There are now more than 420 Sword of The Lord Clubs with more than 20,000 children involved in Africa. Pastor Moses Muguro and the great team of local sponsors and area coordinators are working hard to expand the work each month. As these young people learn to apply the Word of God in their lives, their lives will be changed and they will change lives and destinies of thousands around them. Take a moment to look at the testimony of Pastor Moses so you can understand better why we are doing what we are doing in Africa and around the world with children.
