In Honduras, we have a precious family spreading the gospel through The Sword of The Lord Club and Teens for Christ Society there. Pastor Wilmer and Sister Lesly and their two young sons, Benjamin and Daniel are working diligently and faithfully to establish many clubs and train the club sponsors to lead the young people to receive Jesus as their Lord and Savior and then to become His disciples through memorizing and applying His Word. We have also been able to introduce the ministry into Belize and Guatemala. Hundreds of club members meet each week in churches and homes to learn the Word of God

and use it for His glory. Many children, teens and adults have already received Christ as a result of our ministry in Central America and the numbers are growing each week.

Please pray for Pastor Wilmer and Sister Lesly as they follow the leadership of the Holy Spirit in expanding and developing the ministry in Central America.
