

Greetings

Old Path Mission is a non-denominational Christian fellowship strictly dedicated to following the Lord Jesus Christ and to building His kingdom through soul-winning and personal evangelism. We are a small group with a global vision. In our ministry verse, Jeremiah 6:16, the LORD tells His people to..."stand in the way and look and ask for the old paths and walk in them." He says that His people will find..."rest for their souls".

What are the "Old Paths"? A close personal relationship with Jesus Christ...reading, believing and practicing the Word of God...honest, earnest and faithful prayer...living in the fullness of the Holy Spirit and thus being a witness for Him...personal evangelism through soul-winning...Believing and obeying the Lord no matter what the cost.

We are actively involved in evangelism and discipleship in the United States, Africa, Central America, India and Vietnam. Our hope is to lead as many people to receive Jesus as possible and to train as many of them as possible to lead others to Him. Children and the poor are the focus of our outreach efforts---people who cannot repay with money.

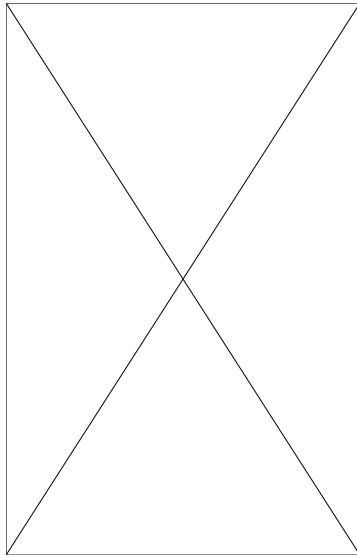

We meet congregationally on Sunday and Wednesday evenings at 6:00 PM at 117 Gallaher St. in Ashland City, Tennessee. Our local ministry is dedicated primarily to reaching children and teens from unchurched families. On Sunday, our music and preaching is worshipful, instructional and evangelistic. On Wednesday, we have our Sword of The Lord Club and Teens for Christ Society meetings. Transportation is available.

Due to our travel schedule, we sometimes have special services on Friday evenings. Please call our toll-free number and confirm the next service time. Our dress is modest and casual and our services are relaxed and open. If we can be of any help to you or your ministry, please let us know.
