Our Sword of The Lord Club and Teens for Christ Society ministries are growing well in India. We are working through our ministry partners to conduct training seminars in several areas of India from Delhi in the North to Kerala State in the South. We have translated our curriculums into Hindi, Telugu, Malayalam and Urdu in order to reach children and teens in these regions. We have very capable associates in India with a genuine commitment to lead young people to the Lord and train them up as disciples for Him.

India has more than one billion people in an area one-third that of the United States. Christians make up less than three percent

of the population. Persecution is growing in India as Hindu militants fight against the work of the Lord. Please pray for our friends and co-workers there as the Holy Spirit directs them in reaching thousands for Jesus. People are giving their lives for the gospel in India.

Children and Teens in India worshipping the Lord. The ground is so very fertile in the hearts and lives of these children. Pray that the workers will be able to reach many thousands of them for Jesus.
